Laser Mouse GL2400

Highest accuracy and perfect usability

Issue January 2006

Pages 2

The Laser Mouse GL2400 is the perfect and trendy accessory for customers who have highest expectations on usability and speed, especially for highest accuracy in the use of graphic applications and for gamers. With its Class1 Laser it provides ultra-smooth tracking on almost all surfaces even on wood-grain and polished surfaces. The Laser Mouse GL2400 features five programmable buttons and one tilt wheel which can be used for vertical and horizontal scrolling. The Laser Mouse GL2400 is designed to be used with USB only.
